When a member retires and participates in DROP

- At 20+ years of service, a member chooses to participate in the DROP for 5 years.
- The member continues to work and is paid a wage.
- ω The member stops earning service credit in HPORS.

**DROP stays in HPORS** on the balance of the actuarially assumed rate of return earned

At 20+ years of service, the member stops working, retires, and is paid his or her monthly service retirement benefit.
